Be a loving star

We all have some loving stars in our lives.

A loving star is a person who is very dear to us, and whose precious memories and guidance often help us navigate through the difficult times. Here at Prokritee, our loving stars are our dear artisans, through whose work we embrace a constant sense of purpose.

Thus, here in this catalogue, guided by that same sense of purpose, we present you with a whole new collection of products that showcase the love and passion our artisans have for the work they do every day.

We hope, on every page of this catalogue, you will find something that reminds you of the loving stars in your life or inspire you to be one in the lives of others.

Our Work

Natural materials

The name of our company is Prokritee, which means nature in Bengali. For our products, we use renewable sources of materials, such as upcycle sari, denim, jute, silk, cotton waste and recycled news paper as well as natural fibers and leaves. All coloring is done with AZO free and natural dyes.

Fair wages

Our vision is that all women in Bangladesh can live in dignity and are valued as contributing members of the society. Our focus is to develop the social and economic capacity of these women by creating productive employment opportunities and sustainable linkages to world markets; giving them fair wages, good working conditions and retirement benefits etc.

From design to shipping

Apart from regular product design and development, we have an “Export and shipping department” in Dhaka. This section deals with quality checking, packaging and preparing the documents for arranging export shipments. Our producers are committed to producing high quality products exclusively on time. We ensure your customized designed product and smooth shipments on time.

Our accessories and personal care products are vibrant with natural colors and reflect traditional designs.

ORDER CONFIRMATION

1 For Prokritee to start production, please confirm the order ASAP, within a week latest.

3 Delay in Order confirmation can lead to change in unit prices subject to volatility in the supply of our raw materials.

4

MINIMUMS

1 Minimum Order Shipment Value is FOB US \$2,000.

2 Minimum Order Quantity of 100 pieces per different product, depending on the specific product.

3 Minimums for exclusivity for a particular design in a particular region can be discussed, depending on the size of the region and market.

2

PAYMENT TERMS

1 50% Advance & Balance 50% CAD (Cash Against Documents), Telegraphic Transfer (TT), LC at sight (no deferred LC). The final 50% will require to be made upon confirmation of product quality by the client's agent.

2 All Advance Payments to be sent by SWIFT.

3 Sample Development Cost can be sent by SWIFT.

4 All bank charges in the client's country will be to the account of the client.

5

LABELLING & PACKAGING

1 Client to send L&P Instructions latest within 2 weeks after the order confirmation.

3 Prices are inclusive of normal wash care & composition label + sea-worthy export carton packaging, with a carton gross weight of approximately 15 - 20 KG maximum.

4 Any special labelling & packaging requirements would cost extra.

3

DELIVERY

1 The normal production period varies between 6 to 8 weeks after receipt of the advance payment, depending on the order assortment and the time when the order is placed.

2 For repeat orders it is 4 to 6 weeks.

6

ADVANCE PRODUCTION SAMPLES (APS)

1 We can courier your representative APS as Bonafide Free Samples to a maximum of one piece of each item in about 4 weeks after receipt of the 50% advance payment.
